

## Table of Contents

The Oji Paper Group Environmental and Sustainability Report 2009 reports on the Group's fiscal 2008 environmental activities according to the eight Action Guidelines in its Environmental Charter.

### Environmental Charter

#### Basic Policy

The Oji Paper Group Environmental Charter requires the Oji Paper Group to help create a truly enriched and sustainable society by developing business activities that harmonize with the environment from a global perspective. The Charter calls for the Oji Paper Group to make autonomous efforts to achieve further environmental improvement, and aggressively drive its forest recycling, paper recycling, and global warming countermeasures forward.

### Action Guidelines

1. Promotion of Forest Recycling .....	7
2. Promotion of Paper Recycling .....	13
3. Promotion of Global Warming Countermeasures .....	19
4. Reinforcement of Environmental Improvement Measures and Environmental Management Systems .....	25
5. Development of Production Technologies and Products that Minimize Environmental Impact .....	31
6. Reduction and Effective Utilization of Waste .....	35
7. Transfer of Environmental Protection Technology to Other Countries .....	41
8. Building Relationships of Trust with Stakeholders .....	45
